**Sight:** Clear, bright and intense ruby coloring with abundant tears.

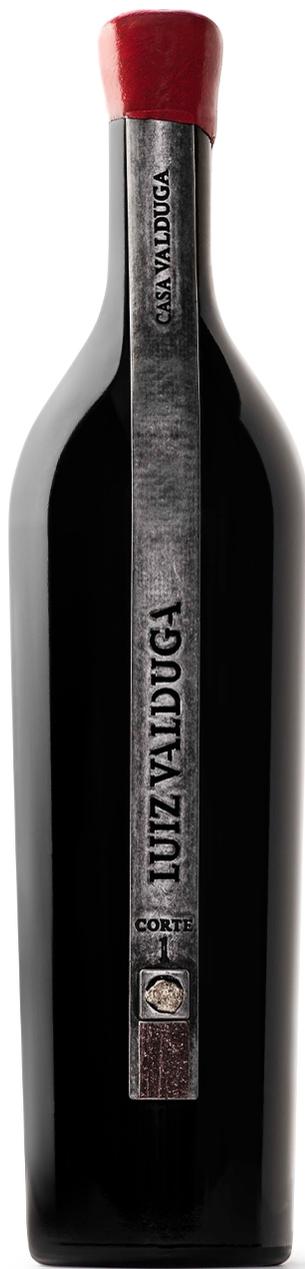

**Smell:** The personality of this fantastic wine reveals itself from the perfect synergy between the notes from the French oak and the fruity aromas, resulting in a complex and sophisticated bouquet. The initial nuances of dried fruits and spices, such as anise, meet the delicate touches of ripe fruit such as cherry and plum. It presents great evolution in the cup, revealing smoked notes, like coffee and tobacco.

**Taste:** Exceptional wine, obtained from the assemblage of the best wines of Casa Valduga, reveals its fullness in the palate, where it expresses all its elegance. Of great personality, it has an enveloping structure, based on velvety tannins, perfectly balanced with the fine acidity, culminating in a powerful and harmonic wine.
