

Terroir Exclusivo MALBEC

We regard our terroir as a guide that highlights its magnificent geography connected to the essence of the vineyard. In the conception of a new wine, from vine growing to its actual winemaking, there are many paths that lead us to the same destination, seeking balance between the fullest expression of the varieties and respect for nature.

Located in the Serra do Sudeste Gaúcho region, in Encruzilhada do Sul, this terroir stands out for its altitude, thermal amplitude and granitic soils, delivering wines of great identity.
